Political contributions are not tax deductible. City law permits only personal checks and limits contributions to \$600 per individual, \$1,200 per couple, per election. Spouses and domestic partners may write separate checks or write one check signed by both if the check exceeds \$600. Contributions from businesses, labor unions, PACs and other types of "organizations" are prohibited. We may not accept contributions from foreign nationals. We may not deposit your check or credit card contribution without your name, address, occupation, and employer, and may not accept cash, cashiers checks or money orders over \$99. It is unlawful for any type of business entity to reimburse an individual for a contribution made by that individual to a City candidate.
