

VENTURA GOP

presents WEST COUNTY
Common Sense Club

SPECIAL GUEST
Jim Duran, Member
Ventura City Council

If you CARE, this is the meeting to attend!

"This resolution doesn't make our city safer...it only makes it more politicized."

What happened? On June 26th the Ventura City Council declared itself a **SANCTUARY** for the sexual mutilation of children under the guise of gender-affirming care, for illegal aliens, and for unfettered abortion. The vote was 6-1.

Jim Duran was the ONLY member to vote NO. Radical people yelled and cursed at him. He stood strong despite attempts to bully him into submission. Jim's powerful summation explaining his vote is masterful.

STOP THE INSANITY!

*Sexual mutilation of our kids
masquerades as "gender-affirming care".*

RESTORE LAW & ORDER!

*It is a felony to enter our country illegally
and it is a felony to harbor, aid, and abet
the people who break the law.*

CHERISH OUR CHILDREN!

*Our children are our future. Encouraging
unfettered abortion destroys that future!*

DATE: Wednesday, July 23rd
